

Cinderella With Bobbed Hair for Asbury Carnival

Miss Audrey Carton Selected for Role of the Princess—Two of the Six Attendants for the New Titania Also Chosen.

Special Dispatch to THE NEW YORK HERALD.
ASBURY PARK, N. J., Aug. 12.—ANNOUNCEMENT was made today of the selection of Miss Audrey Carton, daughter of Mr. and Mrs. James D. Carton of Asbury Park, to be the Princess Cinderella of the carnival court and of two of the six young women who will attend the new Titania during the carnival reign. The maids are Miss Gladys Trowbridge, daughter of Mr. and Mrs. L. H. Trowbridge of Maplewood, N. J., summer visitors at the Plaza Hotel, and Miss Waltrude Hendrickson, daughter of Mr. and Mrs. Henry Hendrickson of the Metropolitan Hotel, Asbury Park.

Miss Carton is the first Cinderella with bobbed hair. For that matter, both Miss Trowbridge and Miss Hendrickson wear their hair short, and it is said that even Titania herself has here a short. Cinderella, the maids whose identities are revealed to the queen elect at a luncheon this week in the Monterey Hotel to arrange their social calendar.

Titania is to be invested with sovereignty over her realm in a ceremony to be held in the boardwalk Arcade the night of August 25. For this event Mrs. Mary Lawson Leach and Miss Dorothy Palmer are preparing a program of tableaux and dances. The queen will be crowned by the royal bishop and immediately, at her command, there will appear from their fairyland retreat hundreds of gnomes and elves, who henceforth during the carnival festivities will be attendant upon her majesty.

Court Ball, August 28.
Indications are for a carnival festival here of old time tradition. Hundreds of children are being enrolled for the fete and many entertainments are being arranged at hotels in honor of the resort. The court ball will be held in the Arcade the night of August 28. The baby parade will be held Wednesday afternoon, August 30.

While carnival events are impending and parents are busy designing the floats and costumes and decorations for their parading children thousands of sojourners are taking advantage of the season which the resort affords. One of the popular events of the week is the Monday night community "sing" with Mantia's orchestra in the Arcade. The week end operatic concerts in connection with the orchestra program also have proved popular. Outdoor sports—bathing, tennis, golf, canoeing and riding—have been enjoyed under favorable conditions. To-day at the Asbury Park Golf and Country Club match play began for the new Monterey cup.

A real estate deal of more than passing interest to summer folk was announced this week in the Asbury Park interests of the late James A. Bradley, founder of the resort. The plot is to be developed for apartment houses and other buildings. Interest in this sale was heightened because of the forthcoming announcement of the sale of other parcels of the Bradley estate, said to be the largest runner of several large hotel projects here.

One of the interesting boardwalk exhibits is that in the Statatorium of the blind of New Jersey. The exhibit is arranged under the auspices of the New Jersey Commission for the Improvement of the Blind and a sale of
